

Extended Day Physical Education

Enrollment and voluntary donation form

Extended Day Physical Education – also known as Zero Period P.E. – was established to enable middle school students to enroll in a yearlong music class and take a second elective during the school day. With sufficient enrollment and contributions, Extended Day P.E. classes will continue to be held before school.

Extended Day P.E. is *not* a required class, and it is not paid for through general school funds. In fact, these courses are fully dependent on financial contributions from our participating families. Please know that a donation is *not* required to enroll, and families that choose to contribute may do so at any amount. However, a suggested donation of \$540 per year – or about \$3 per day – will help sustain this valuable program. Conversely, insufficient enrollment and/or insufficient funding could result in the cancellation of this program.

Please complete an enrollment form below if you are interested in Extended Day Physical Education, and turn it in to your school's front office. If you wish to make a contribution towards this program you may do so with a credit card online at myschoolbucks.com or by check in person at Sierra Vista Middle School Front Office. Please know that a contribution is not required for enrollment.

Please sign my child up for Extended Day Physical Education.

I am willing to contribute \$ _____ to help support this course.

I have contributed online.

I am enclosing a check (made out to IUSD)

Signature

Enrollment forms should be completed and emailed to DianaAustin@iusd.org by **June 5, 2020**. This will help enable course planning to occur. Donations will be accepted at any time, and checks may be made payable to "IUSD." Note that all donations are tax-deductible and will be refunded in the event the EDPE program is canceled.
